festive music dancing through the air;
echos of laughter; shrills of joy;
childrens anticipating cries;
the aroma of melted butter
on freshly popped popcorn;
the scent of hotdogs
dripping with golden
mustard, tomato red
catsup, relish and
spicy onions; swirls of
color shooting across the sky; lights of
cotton candy pink,
screaming scarlet,
emerald green, and sky
blue flashing everywhere;
smiling faces; people
running free and wild;
cheerful clowns tearing
away age barriers;
sideshows and funhouses
distorting reality;
a carnival!
look inside and enjoy

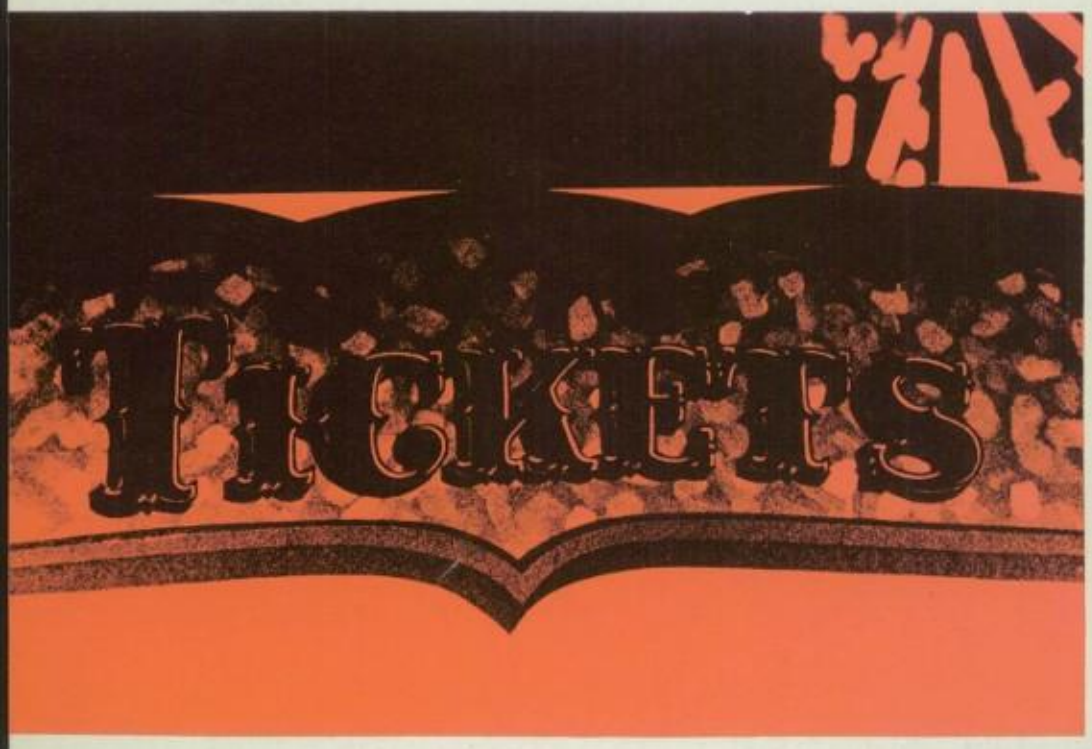
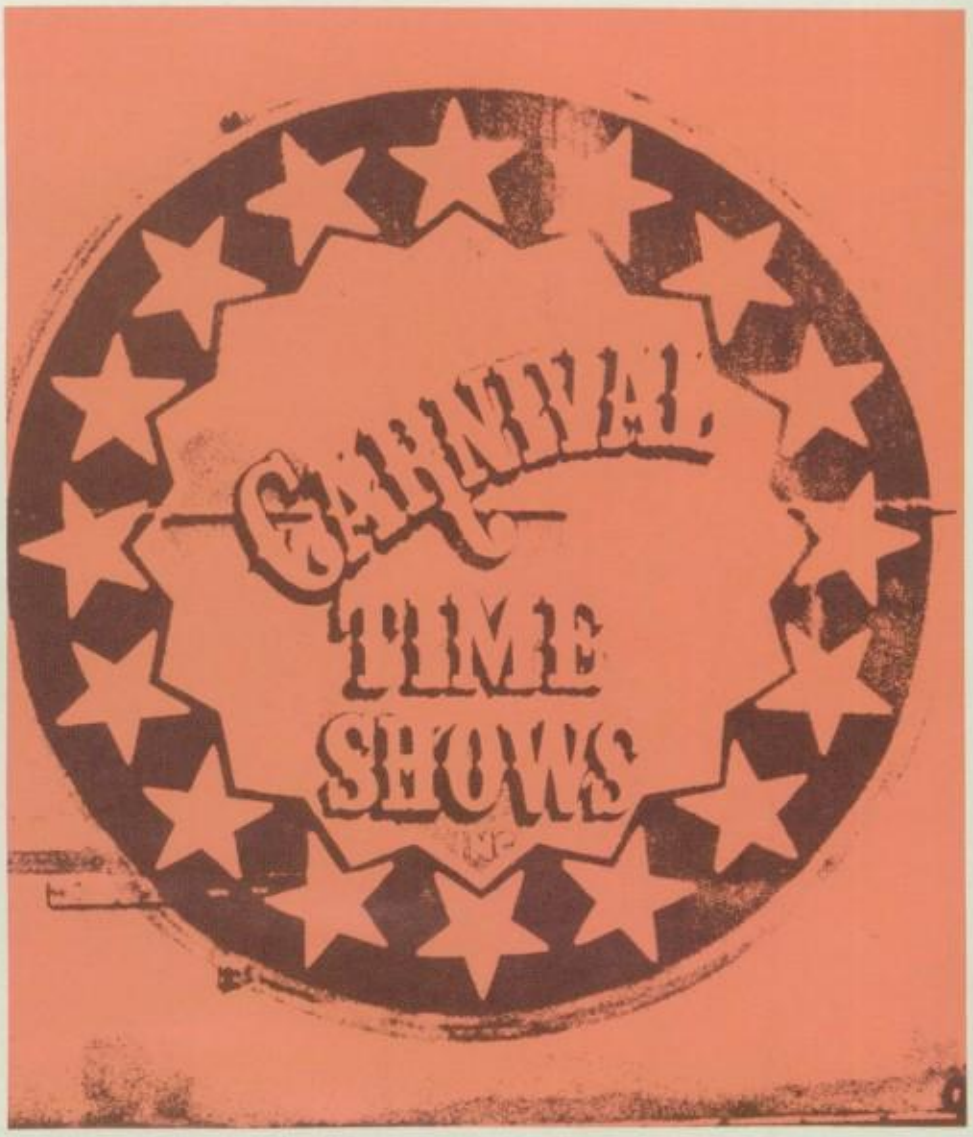
a carnival is a place for fun. to enjoy the laughs of the funhouse, and to taste the popcorn and cottoncandy; a way to get away from the world and enjoy.

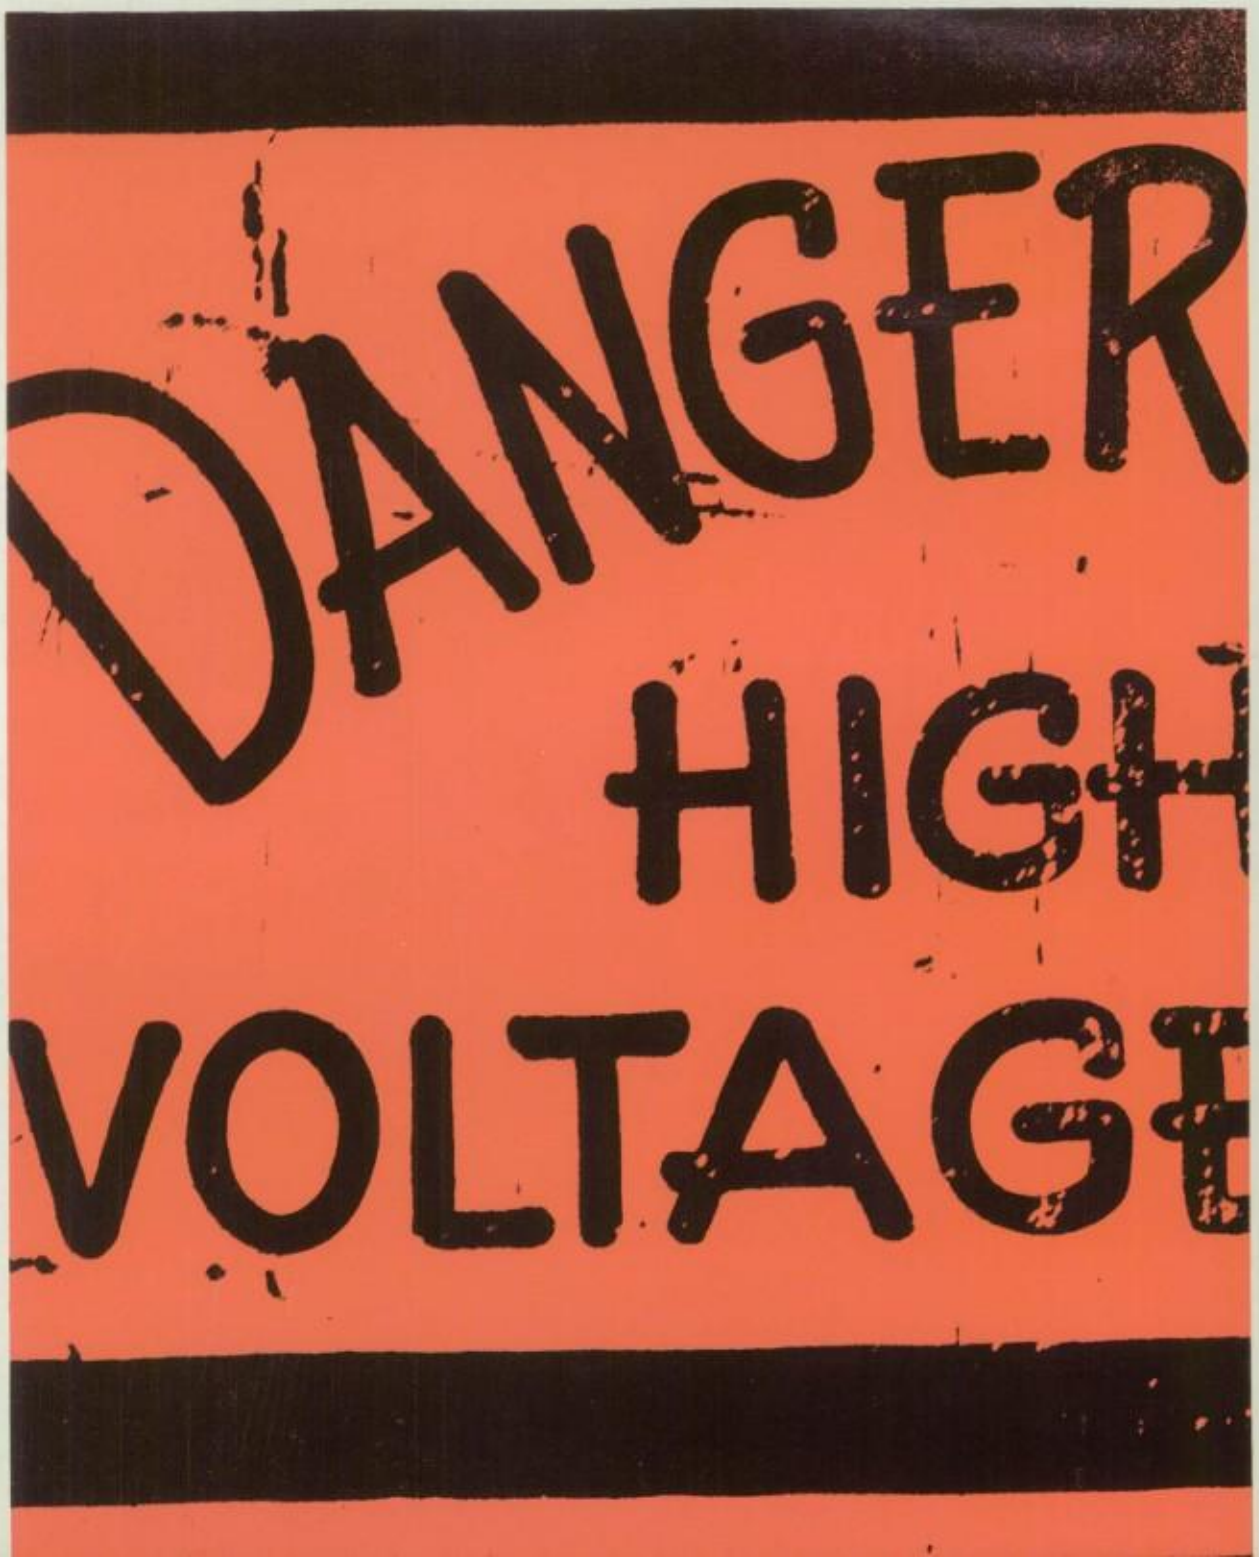
jay glasser

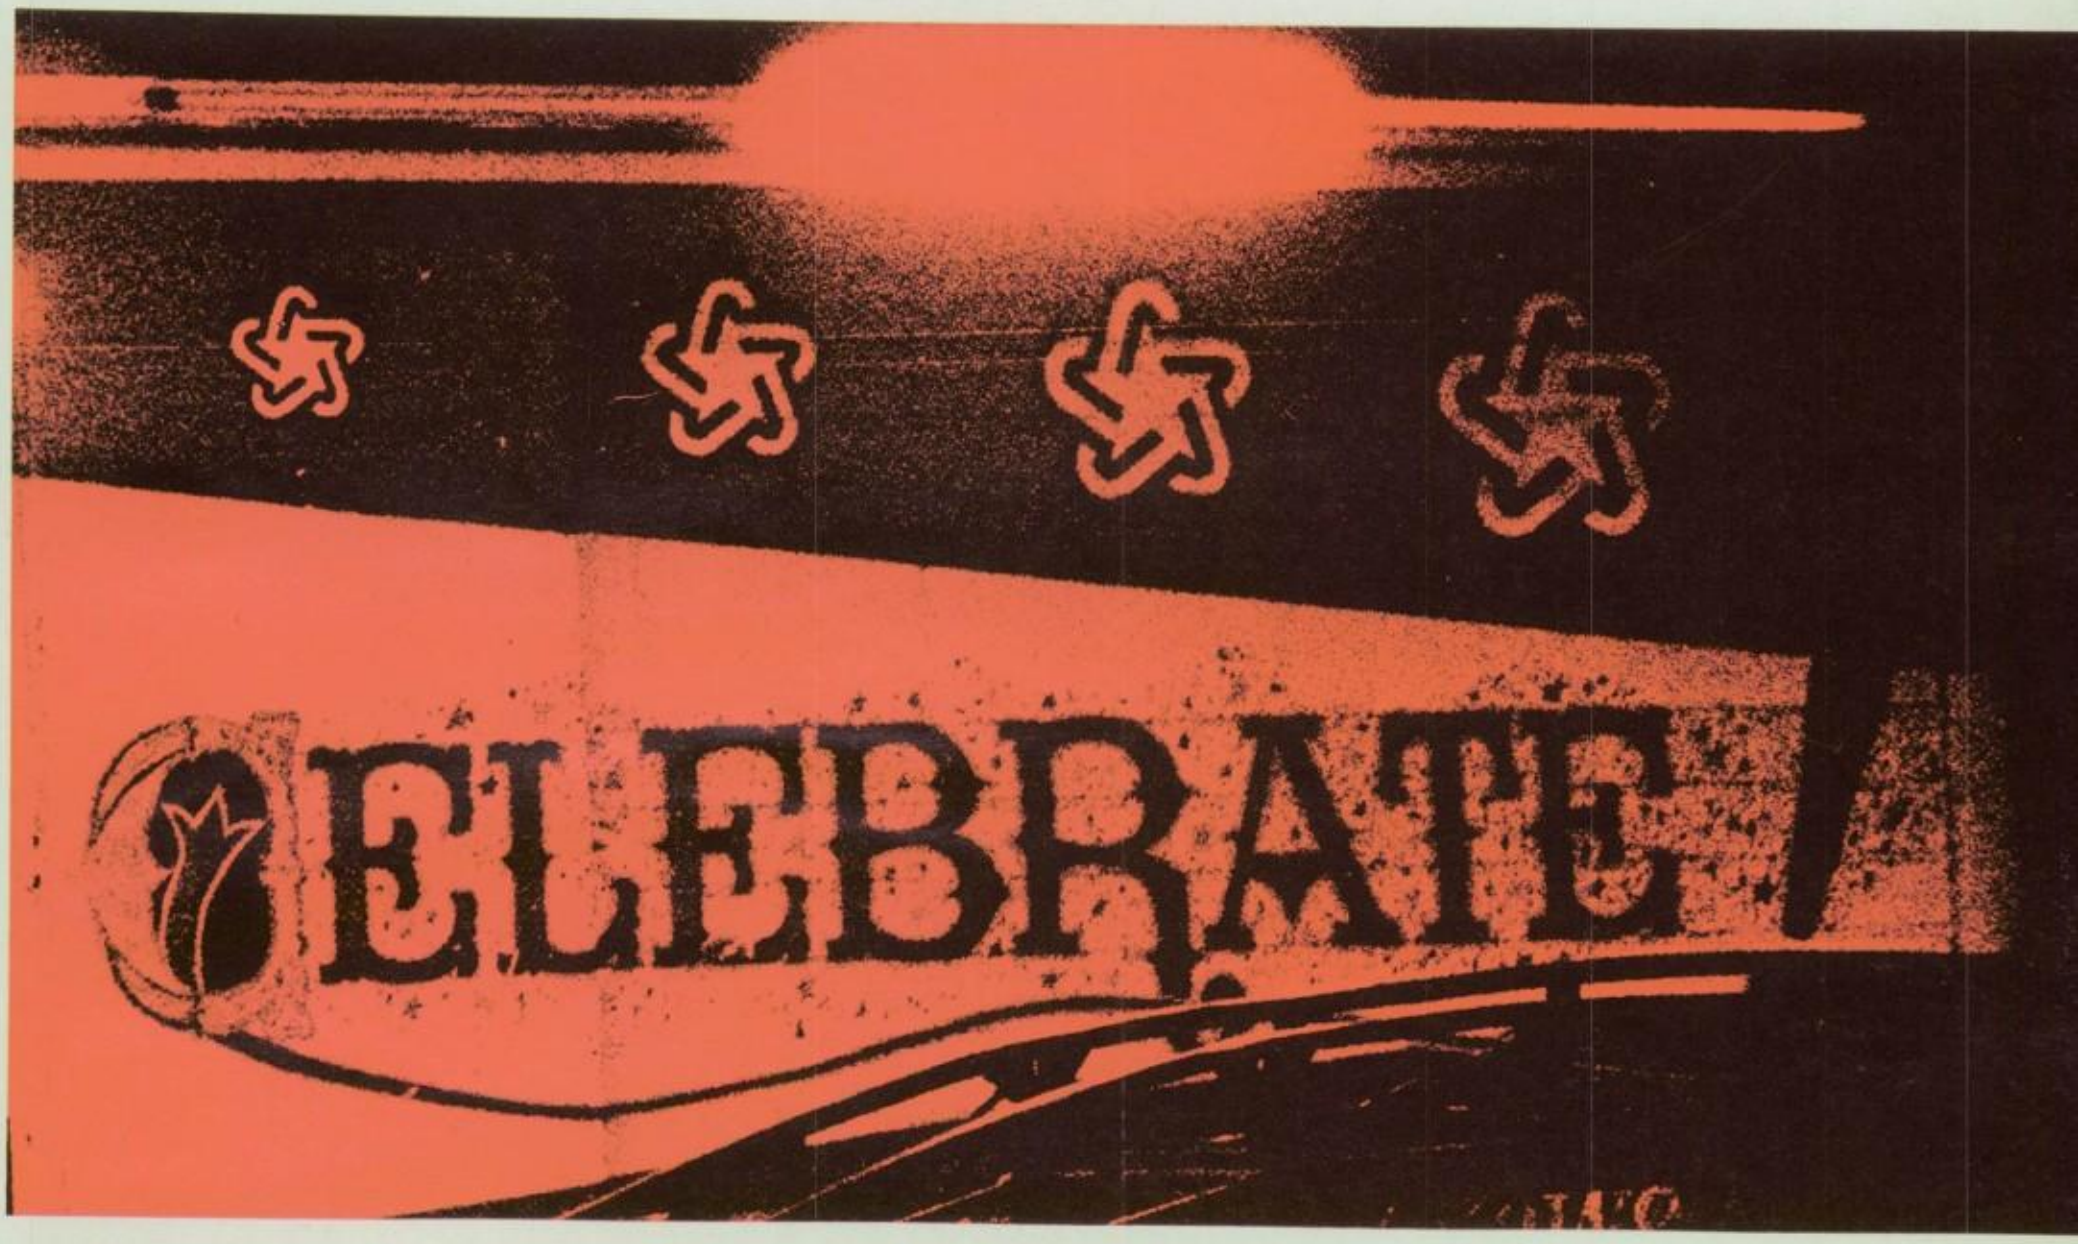


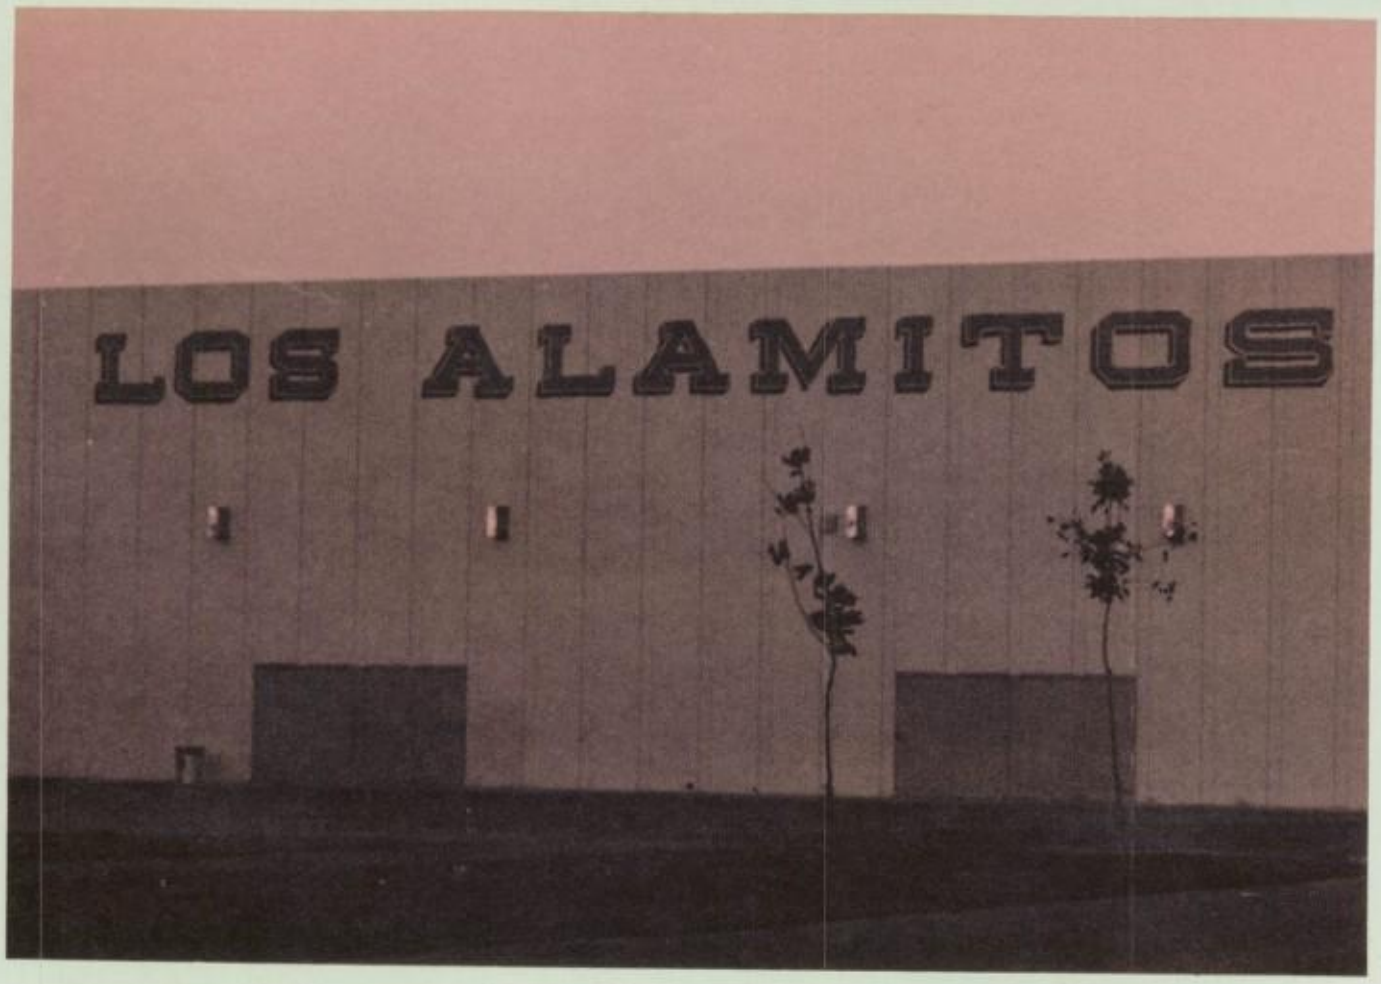


the atomsphere at a carnival is electric. the people there are happy and excited, always wanting to hurry and try a different ride or attraction. people are pretty friendly at a carnival.

judy freligh





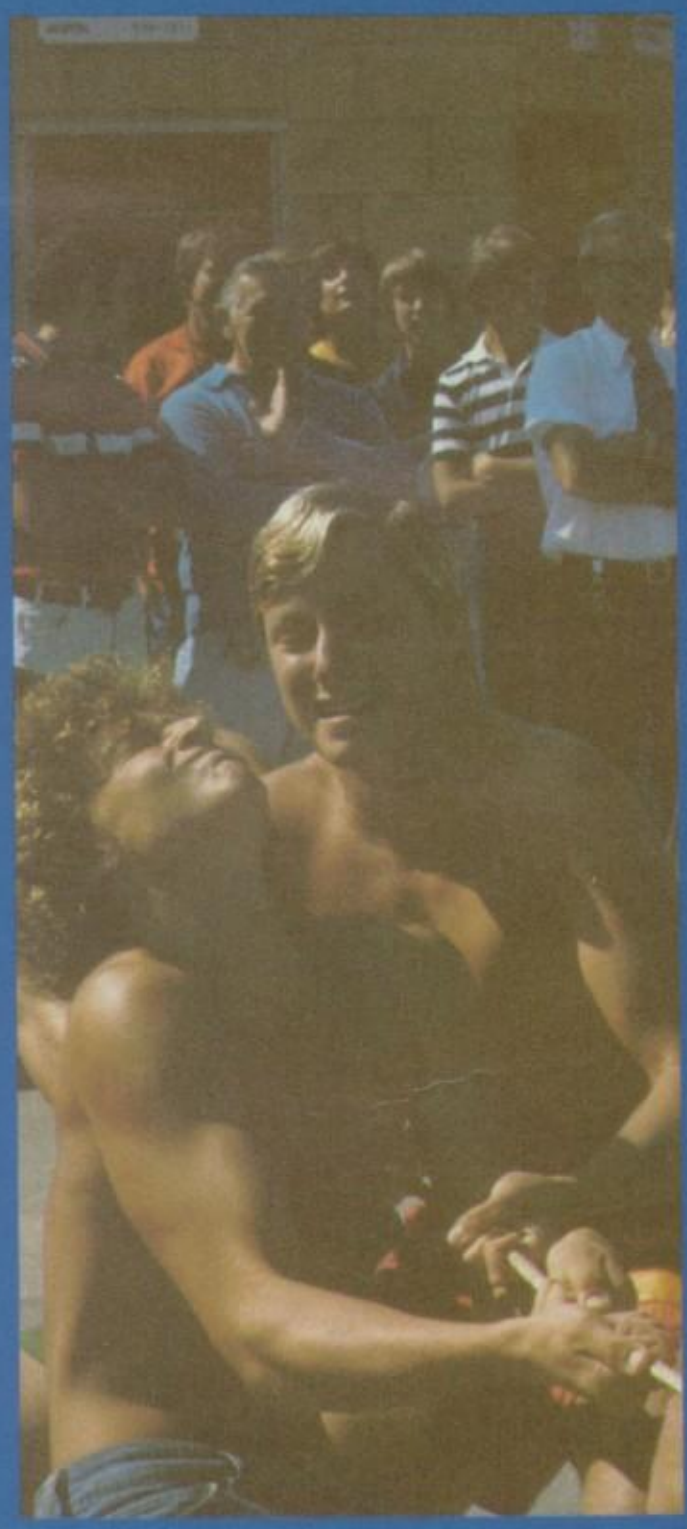


you wait for a carnival all your life, then before you know it, it's gone, (kind of like high school, huh?)

jeff mahlen

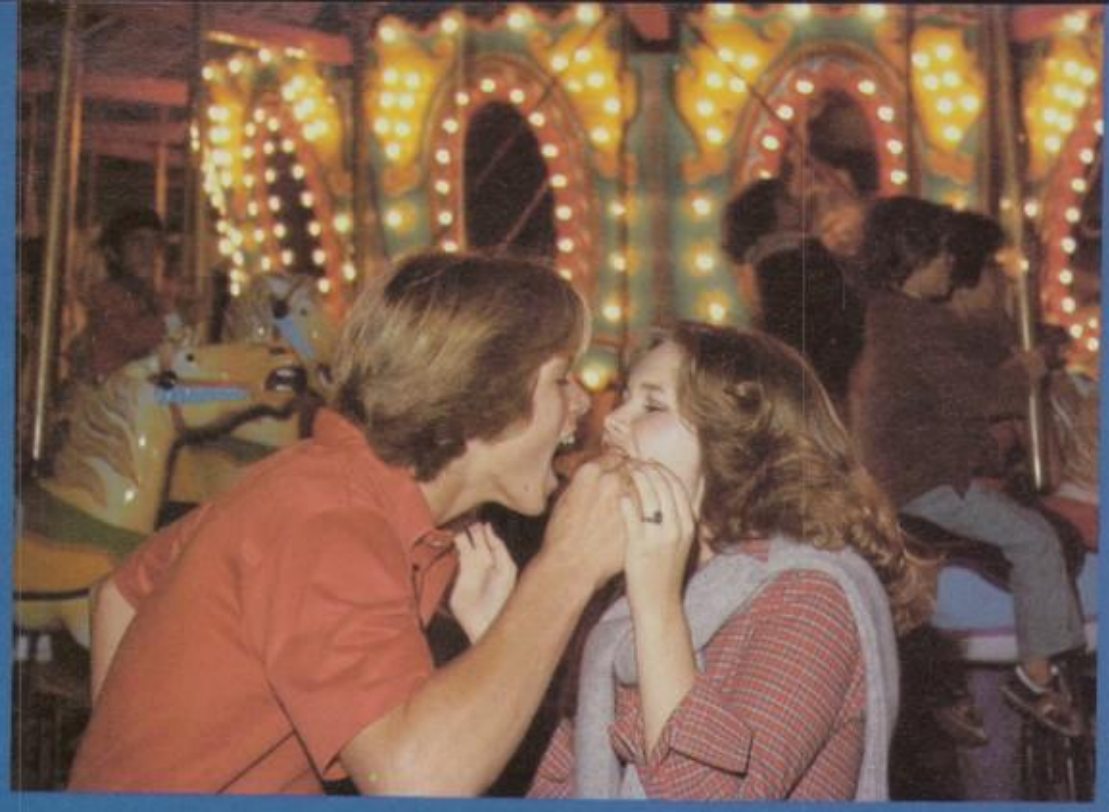
life is like a ferris wheel, some people make it to the top and stay for awhile, but sooner or later they have to come down.

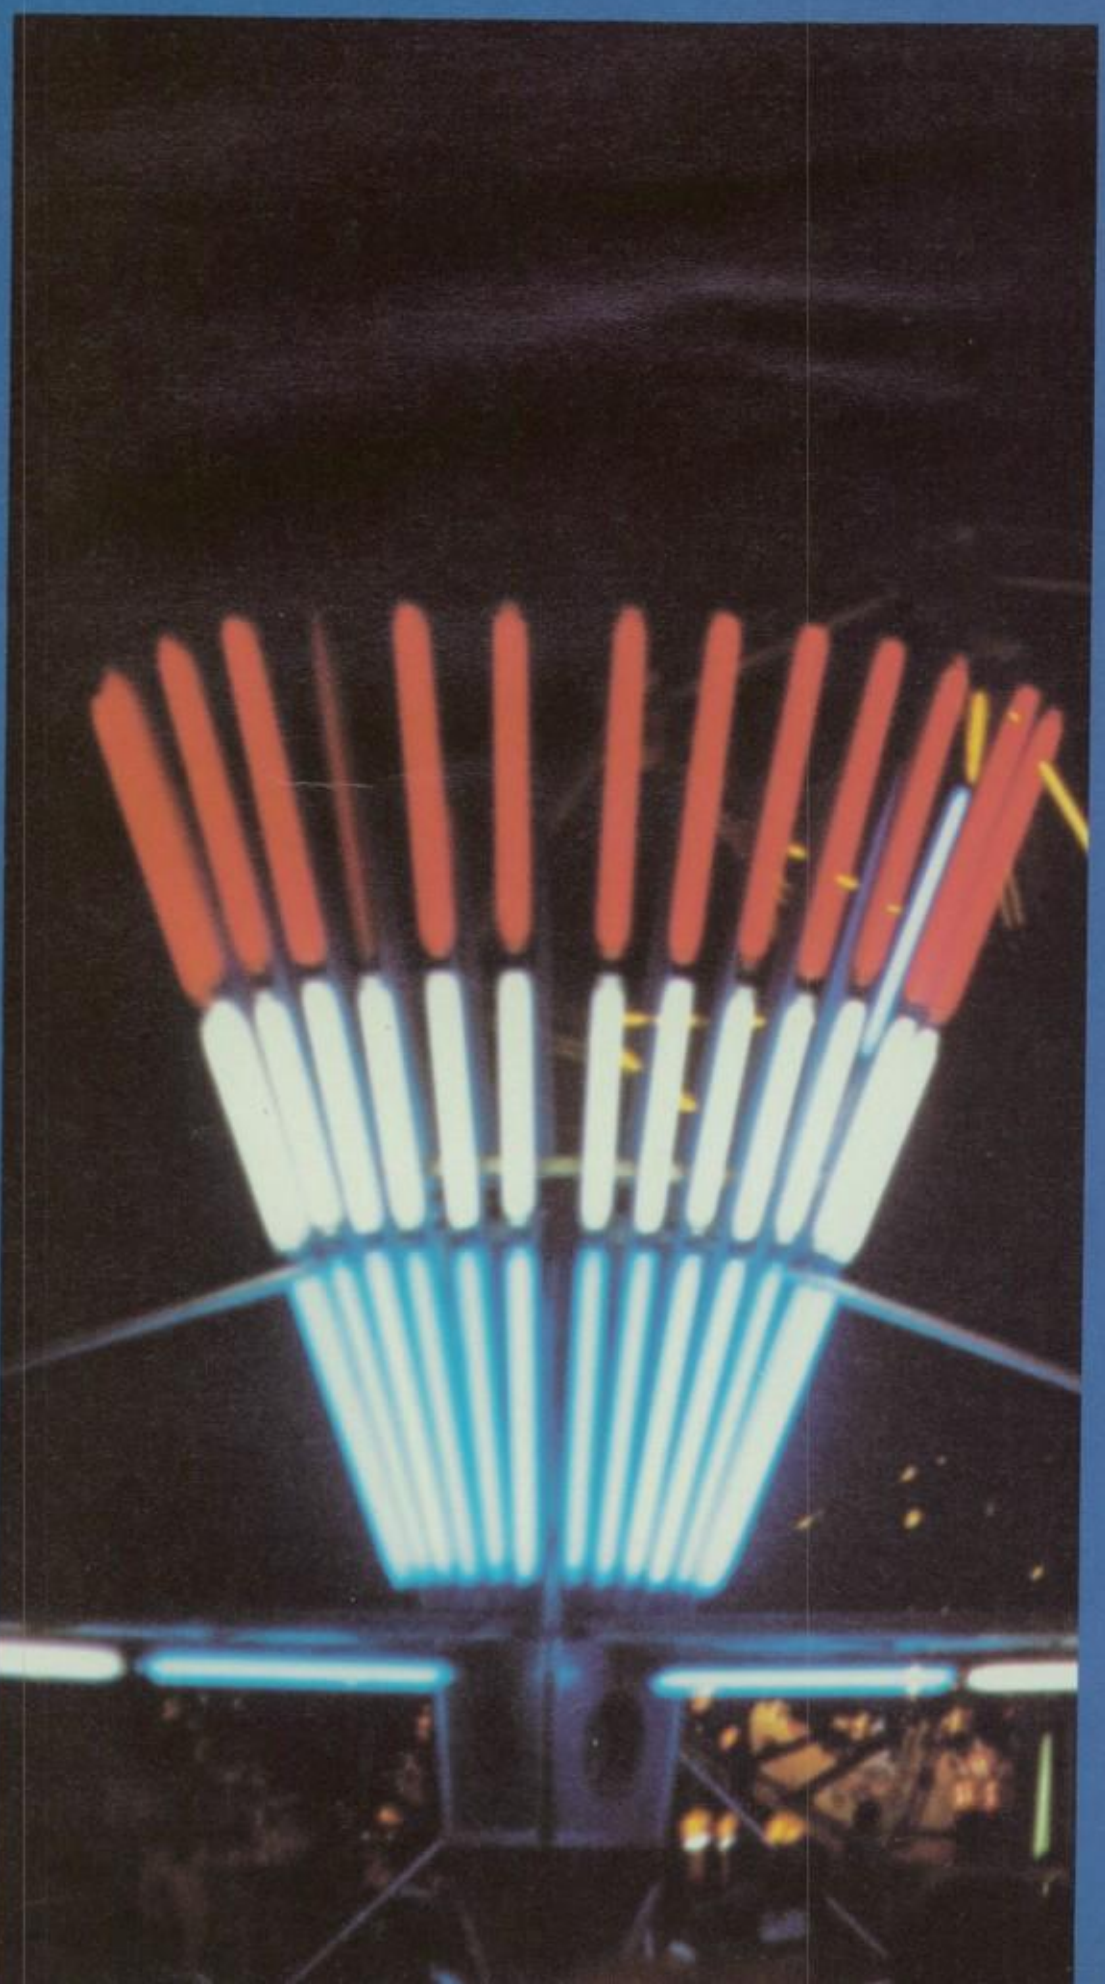
cheryl karcsmar

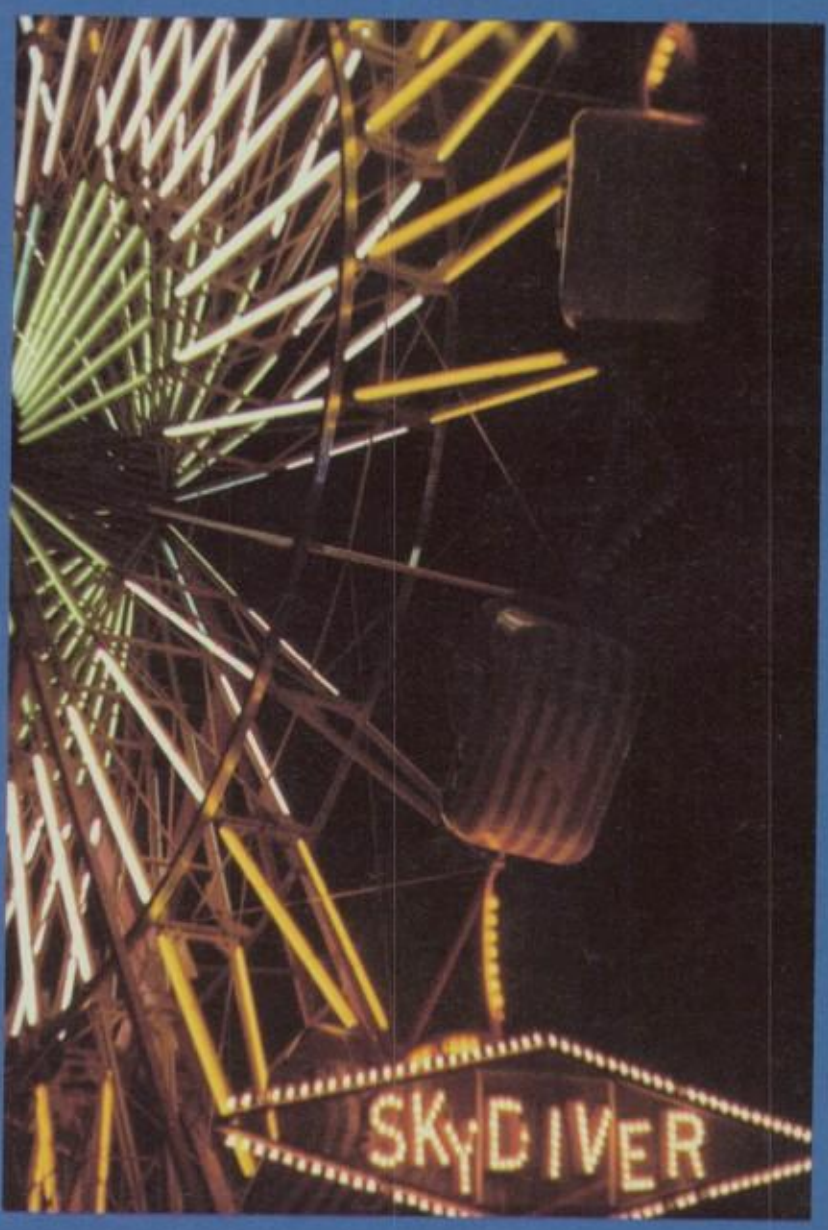


the carousel goes round and round and each time the scenery changes. new faces appear. i notice new details. i ride low and see who is around me, ride high and see dream worlds and then i reach for the brass ring.

lyn marshall



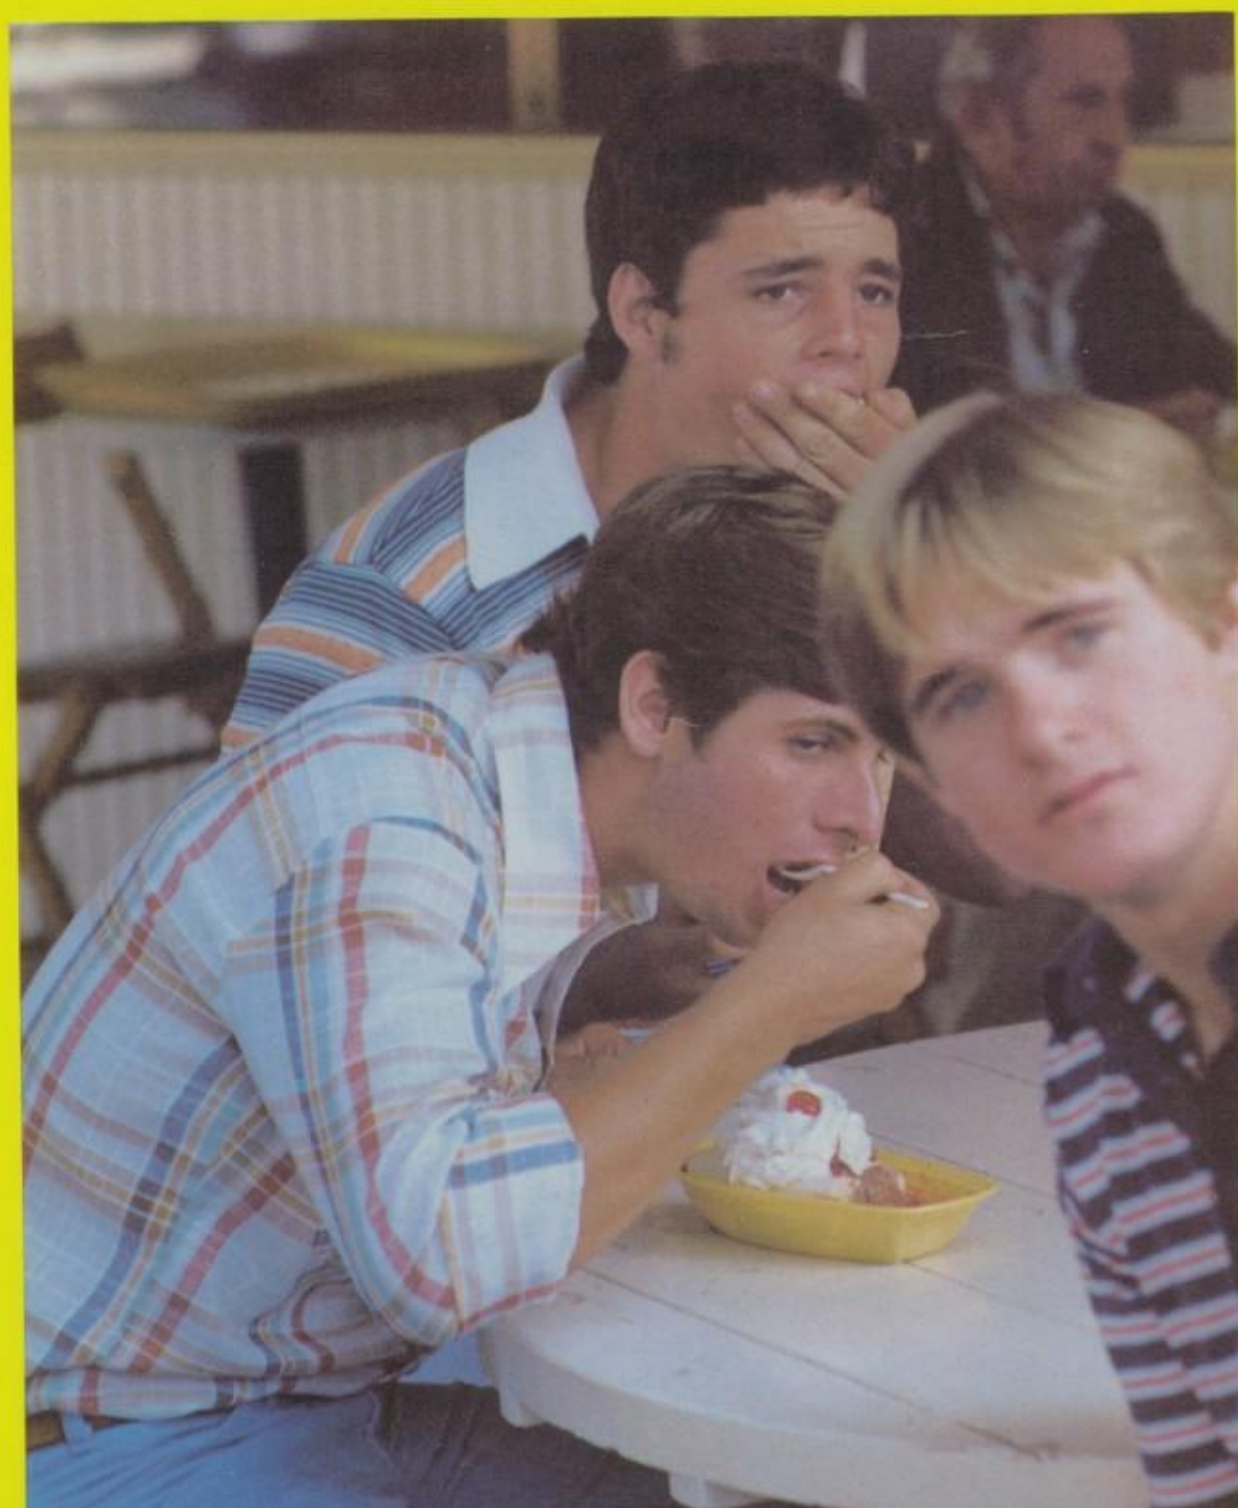




SKYDIVER

the smell of popcorn, the laughing colors of cotton candy and kids yelling for more money...

june maeda



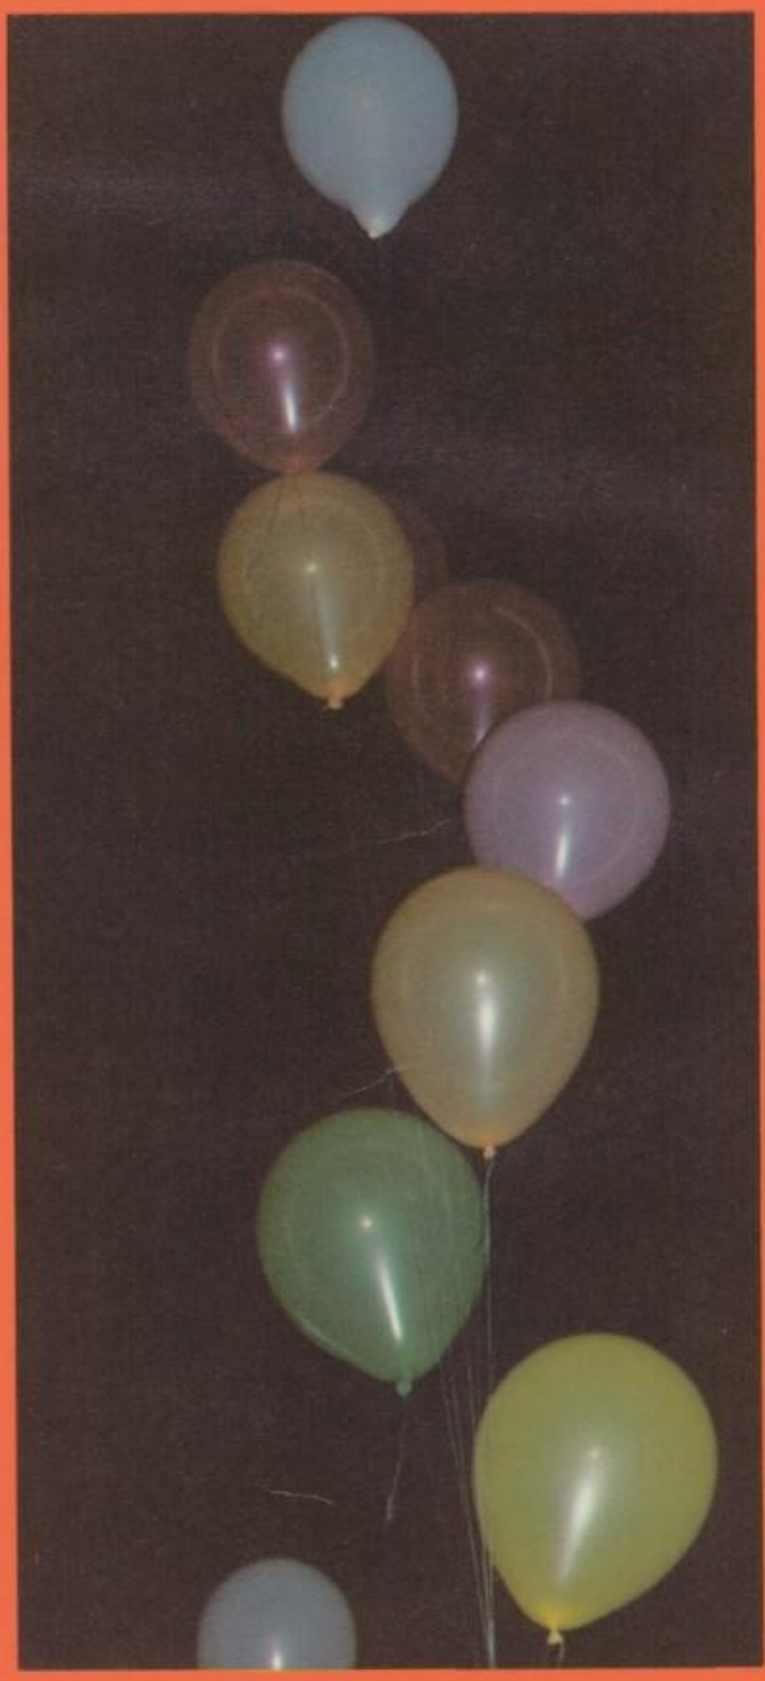
POPCORN

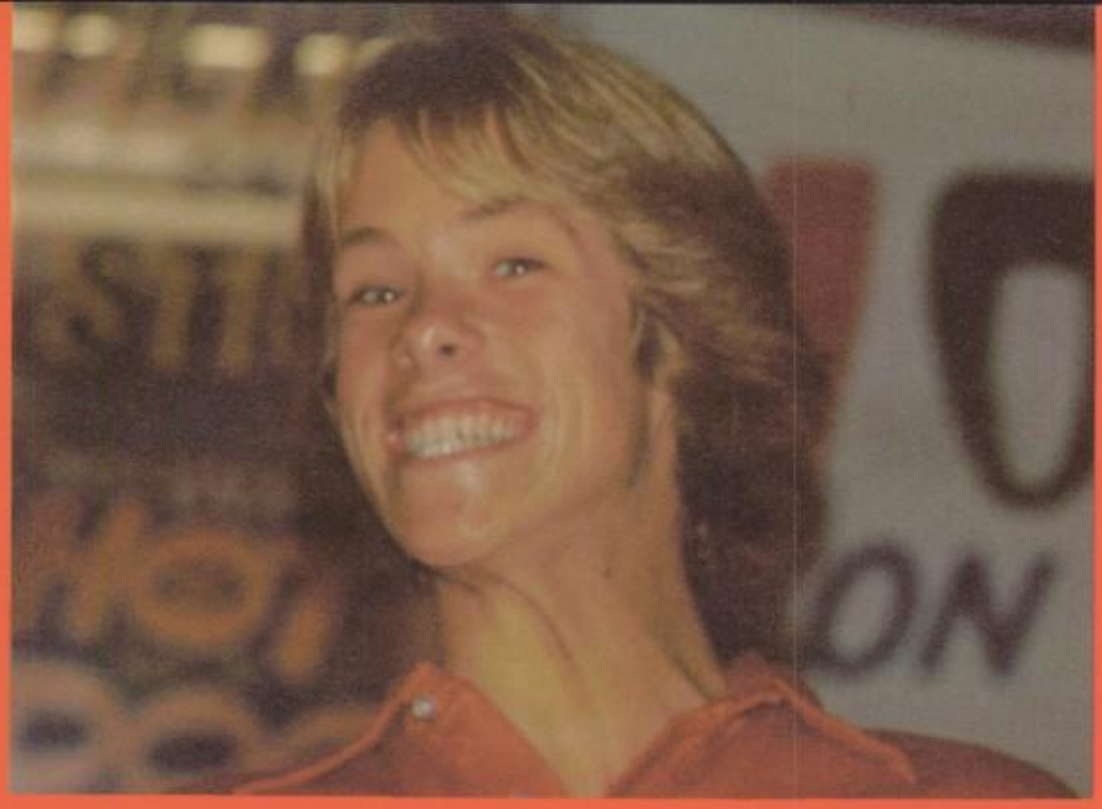
happy faces, smiling faces, a warm sensation.
laughs, giggles, and fun. crazy people!!

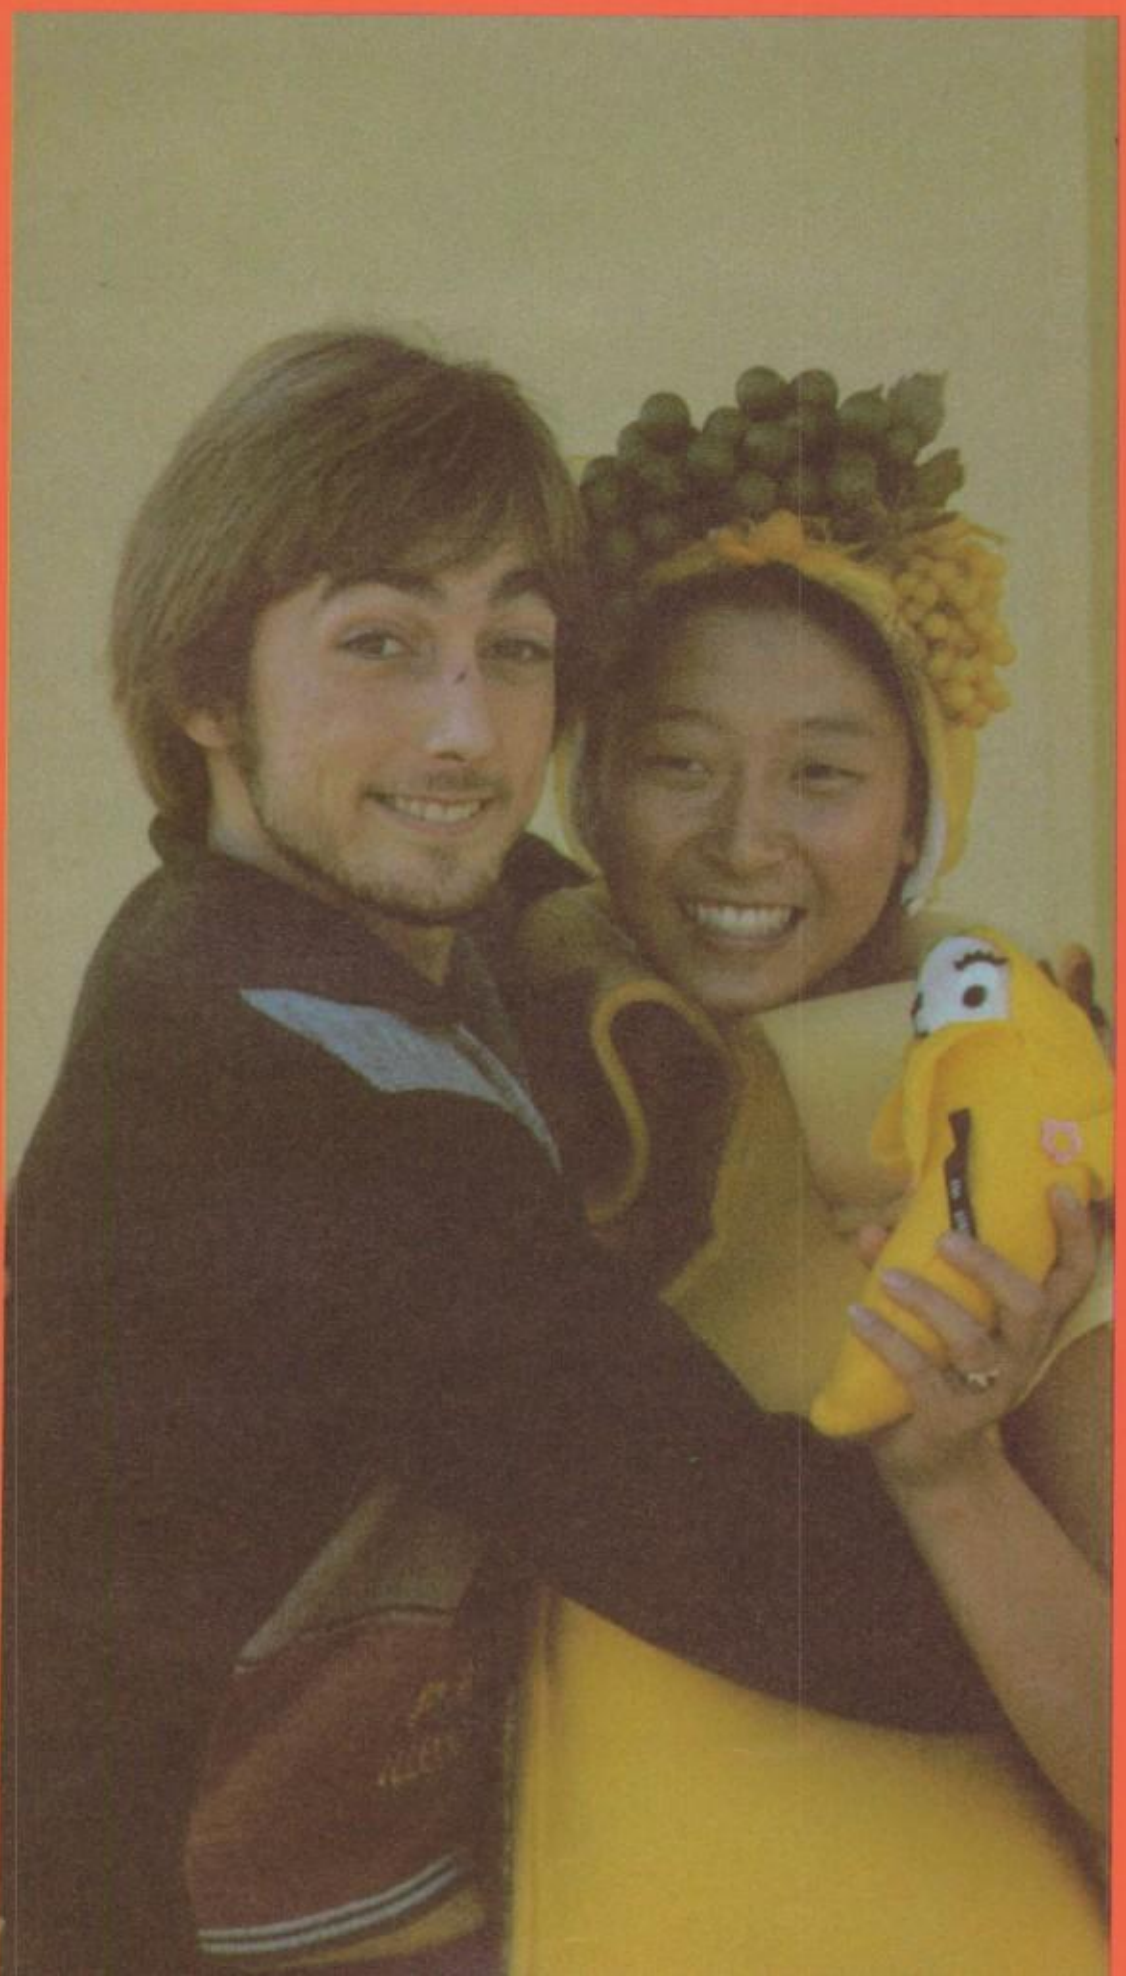
jill mcintyre

laughing faces turn to screaming horrors. everything turns upside-down and out of proportion. distortion and insanity become reality.

lyn marshall







exciting, stimulating, a whole new feeling.

Winning Season

The concensus was that this year would be a rebuilding year for Los Al because of the loss of so many outstanding football players. This was proven wrong! The griffins managed an outstanding 8-1 preleague-league record. The defense anchored by Lynn Jenkins, Scott MacCready, and Rick Ortiz along with newcomers Joe Strankowski, Layne Womack, Bruce Reynolds and Morgon Potter completely bottled up all opponents.

The offense with only three returning starters, Mitch Olson, Steve McJilton and Mark Cole, showed tremendous improvement with each game. As the season progressed the offensive line seemed to be getting the jump on the defense with their fast take-off. The offense led by the signal calling of Bill Poe and the offensive line consisting of Tad Bodeman, Mark Cruz, Robert Summers, Morgan Munoz and Kevin Foerster along with blocking back John Coromelas and receivers Mike Johnston, Doug Yates and Don Appling did a fantastic job as they led the team to many high scoring victories. These victories enabled the griffins to place second in the empire league and go on to C. I. F. competition.

The Sophomore season was not too impressive in the win and loss column with a record of 1-8. However, it was extremely successful with the vast experience that was gained. The offensive unit was led by Scott Bragg, Kevin Kaltenthalar, Dave Main, and Mike Serafini. Defensive standouts were Bill Austin, Charlie Dieringer, Pete Donnelly, Joe Peña, and Frank Senteno. Los Alamitos Junior Varsity team of 1977 won the Empire league title with an undefeated season score. The Griffins showed great promise by upsetting Long Beach Poly and Millikin in non-league games. In taking the title for the second straight year, these "Class of Seventy Niners" show much improvement and will contribute to a very successful varsity season next year. In the team vote at the end of the season, Don Gray was voted most valuable player, with Bob Auther most improved, and Rich Emmons as team captain.

Starting out with an inexperienced team, the poloists soon showed their talent by their outstanding efforts in pre-league meets. All expectations of Head Coach DeVinna were met.

The Sophomore team, at the end of the year, voted Steve McIntyre team captain, Ruth Cox as most Valuable player, who contributed to both Sophomore and J.V. teams, and most improved player was Jeff Leflohic. Congratulations!!

The Varsity cross country team won the League Championship by going undefeated for the first time in nine years. The team defeated some of the toughest teams in CIF.

In their first league meet, Los Al killed Katella 15-49 by going 1,2,3,4,5 in the race. A great team effort was put out here. Saddleback bowed to the Griffins 21-37. John McIntyre placed second, Jack Harrington was third, Soph. Carl Conley finished fourth, and Brad Harris was fifth.

Kennedy was the next team to fall, as they lost 25-30. John McIntyre, Brad Harris, Carl Conley, Jack Harrington, and Barry Sheehan all put in great efforts that day.

Loara was the team to beat. The Harriers handily defeated the Saxons 28-29. Brad Harris set the school record at 15:56 to place him first, Jack Harrington followed right behind in second.

Los Al completed its perfect season against Cypress 21-34. Jack Harrington placed first with a 15:17, the best time of the year by any Griffin on any course. Brad Harris was second. The team will have five returning lettermen next year and with a little work another league championship would result.

J.V.-Soph Cross Country

Mark Veturis under way at the League Finals.

Dave Sloan in a rare (trying) moment.

Carl Conley leads a huge pack of runners at the OCC Invite.

The J.V. and sophomore cross country teams both had very fine seasons. The lack of numbers was the main hinderance to the teams. Five people are needed to score in a meet and many times the J.V.'s and sophs would have only four. Despite this, there were many outstanding preformances. Mark Veturis was running varsity in most meets. Dave Sloan, Mike Uebel, and Howard Pritchett all had fine seasons for the J.V.

The star of the sophomore team was Carl Conley. In four major invitationals he received trophys. Carl placed first in a field of over 400 runners in the Villa Park Classic. He ran varsity most of the year. Dwight Boecher and Steve Brown also ran mostly in varsity races. Other sophomore stars are Scott Bundy, Steve McCoy, Greg Bettison, Sid Simon, Matt Westrup, and Brad Fetzer.

The outlook for next year's team is excellent with five returning lettermen. Carl should rank as one of the best runners in CIF next year, so it will be an exciting year.

The girls cross country team did very well this year against some tough opponents. Most scores were within five points. Debbie Chaddock placed first in many meets, with Sheri Vickers and Lori Gasteiger close behind. Next year's team should have an excellent chance to win the Empire League with only two Juniors and seven Sophomores on the team.

The 1977 girls team: Back row-Coach Jim Vickers, Lori Gasteiger, Sheri Vickers, Carmen Tinney, Tracy Fuelleman, Diana Mentas. Front row-April Shelton, Debbie Chaddock, Dana Colussi, Cyndy Wright.

The Varsity Hockey team has fought everything from flooded fields to invisable officials. Under the leadership of coach Pam Bobst and the help of returning lettermen Michelle Poortinga, Kelly Cardwell, Kerrie Stansfield, Shawn Womack, and Ginny Pangelinan, the team worked very hard. The forward line fought hard throughout the season, with quick defensive work by the backfield. Field Hockey will probably not be played next year, and soccer could be the replacement sport.

The fans are going wild.

In a game against Rosemead High, Bedard scored 40 points, breaking the school record for individual scoring that was previously held by Fritz Miller with 38 points.

Shelly Such drives up the key against Western.

Despite a shaky start, the '78 hoopsters are striving to improve upon their 3rd place finish in the Empire League in 1977. Led by last year's MVP, Junior Lynn Such, the Griffins show depth in all positions, and the desire to work hard to better their skills. Combining the inside strength of Diane Mentas, Sonya Branson, and 6'3" Tami Francis, the quickness and passing of Shelly Myers, Allison Stapakis, and Lynn, along with the sharp shooting and rebounding of Cathy Carley, Nora Ku, Julie Conlon, and Karen Luedke provide the challenge for their new coach JoAnn Reis. With only two Seniors on the team, next year's chances for a strong, winning team is good and should bring the Griffins a League Championship.

The J.V. Team started out strong with a 3-1 record. The team was greatly helped by the top scorer, Kathy Gallagher, and the top rebounder, Sue Constuble. The members of the team should be a great addition to next year's varsity team.

Very good!

Gymnasts Display Many Talents

By mid-March the competition season was in full swing. Los Al's Varsity gymansts have been working on their optional routines with skill and determination since October with hopes of capturing the league title by the end of their season. J.V.'s worked hard to polish the Class III compulsory routines with fourteen mighty sophmores leading the way. This year Karen Stevens was added to the coaching staff headed by Sharron Flynn.

Certainly, the energy and enthusiasm of these athletes provides a welcome and refreshing burst of positive exposure for gymnastics.

The varsity track team had many outstanding preformances, with a good chance to win the Empire League. The Griffins defeated South Torrance in their first meet with a score of 71-59. Although no school records had been broken at deadline time, many should be broken. Brad Harris should take his old high jump record of 6'10". Tim McIntyre cleared 15'2" in practice so he should eclipse his old record of 14'10". Lynn Jenkins was jumping in the 22' range, so he should take the record of 22'10". John Greenroyd jumped 42'4" and should break the triple jump record.

Many other outstanding performances were put out by Kirk Urata, Scott MacCready, and Dave Dempsey in the hurdles, Frank Haney, and Mike Womack in the shot and discus, John Greenroyd, Lynn Jenkins, and Brad Harris in the jumps, Tim McIntyre in the pole vault, Lyndon Barnett, Lynn Jenkins, Richard Greer, Tom Laughlen and Jeff Wenze in the sprints, Brad Harris, Jeff Hacker, Carl Conley, Barry Duke, Dwight Boecher, and Barry Sheehan in the distance events.

Led by Coaches Fred Turner, Gary Swanson, Jim Vickers, and Larry Cookus, and team captains Scott MacCready, Brad Harris, and Barry Sheehan, the team shows much promise and could take the Empire League Championship.

Girls Track, Off And Winning

The girls track team is off to a fine start. With Captain Gina Lanaestra, who holds the school's shotput record, and returning CIF runners, Debbie Chaddock in the mile, Lori Gasteiger in the 880, and Kathy Foy in the hurdles, the team has experience and talent. The 440 relay team of Cindy Wright, Kathy Clasby, April Shelton, and Kathy Foy has run a very good 56 seconds. The whole team, together and individually, shows great promise for this season. The girls train with the boy's team and share Coaches Turner, Swanson, Vickers, and Caucus. The team consists of many talented juniors and sophomores, so next year's outlook is good.

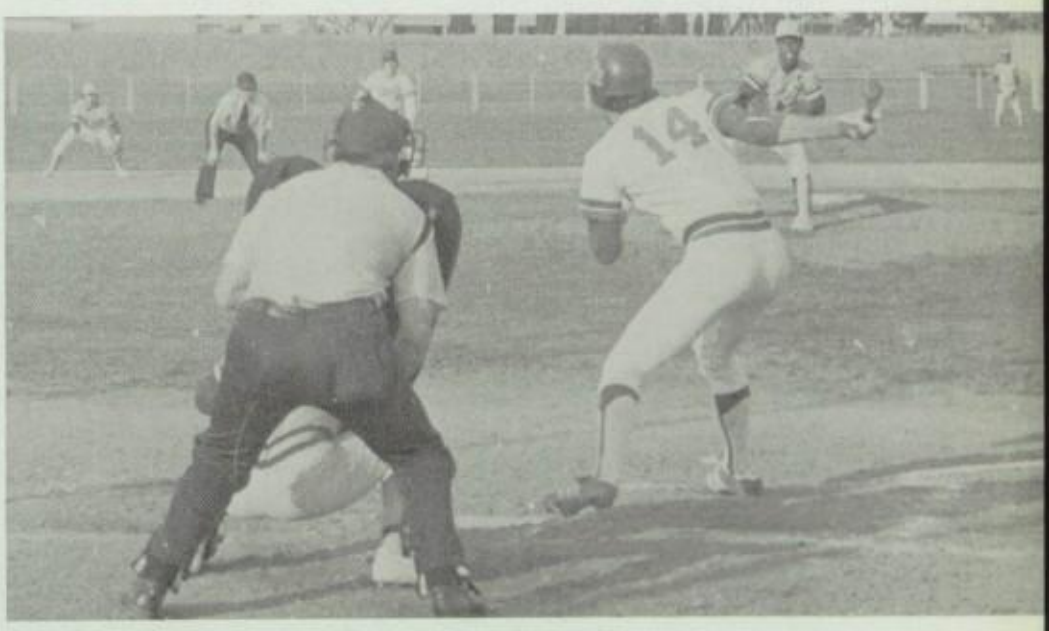
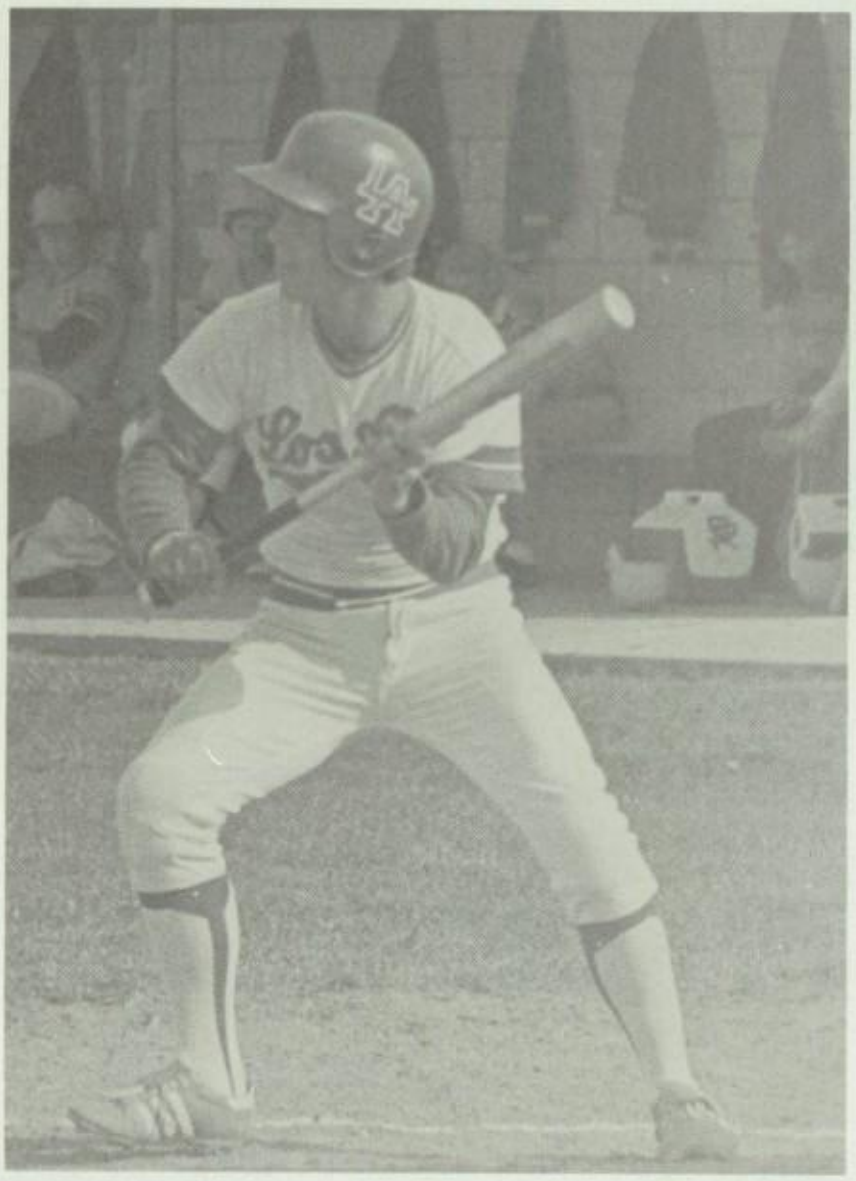
This years Varsity Baseball team under Coach Al Gragnano so far has compiled a 10 win, 3 loss record. In league they are 3 wins and 1 loss. They are currently in first place and are showing many signs of improvement. In the first ten games of the season the Griffs have stolen 53 bases. Behind the brilliant pitching of Mark Cole and the fantastic 320 team batting average it looks like the Griffs could do it again.





Top Row: Steve Pescetti, Mark Cole, Larry MacArthur, Alan Degen, Morgan Potter, Craig Hintz, Mitch Olson, Coach Al Gragnano. Middle Row: John Maldonado, Terry French, Chuch

Johnson, Scott George, Kyle Kring, Don Appling. Bottom Row: Bill Deneff, Steve Moore, Doug Yates, Bill Poe.

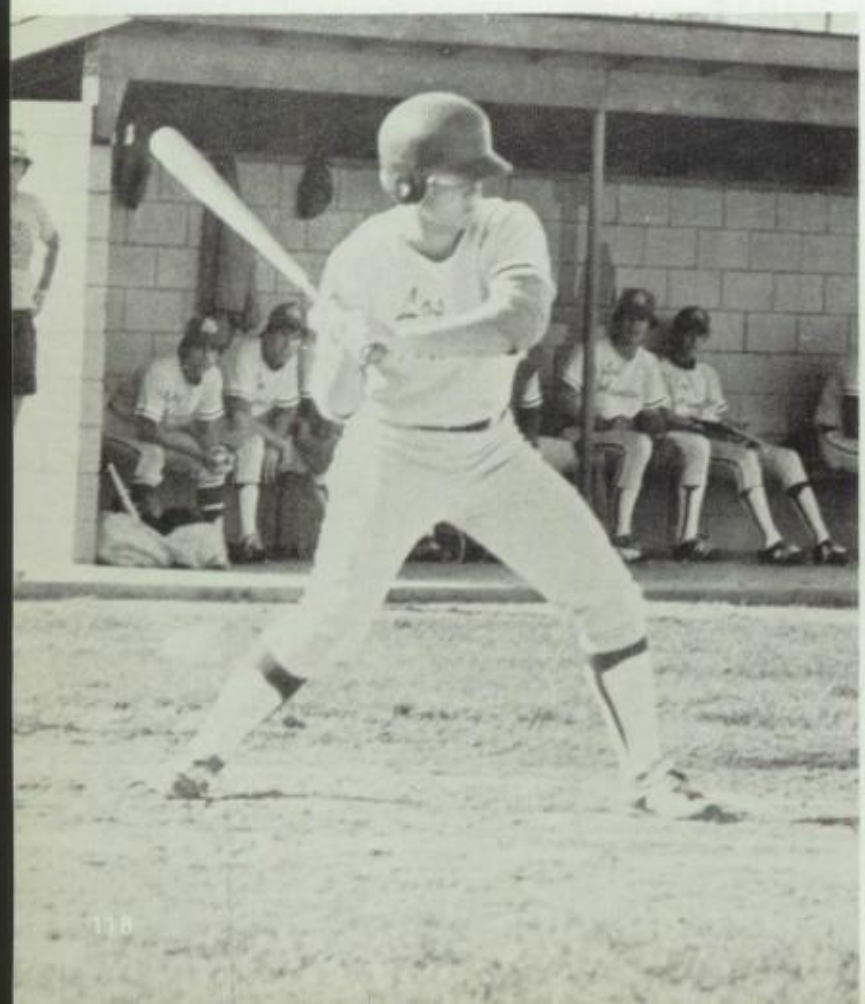
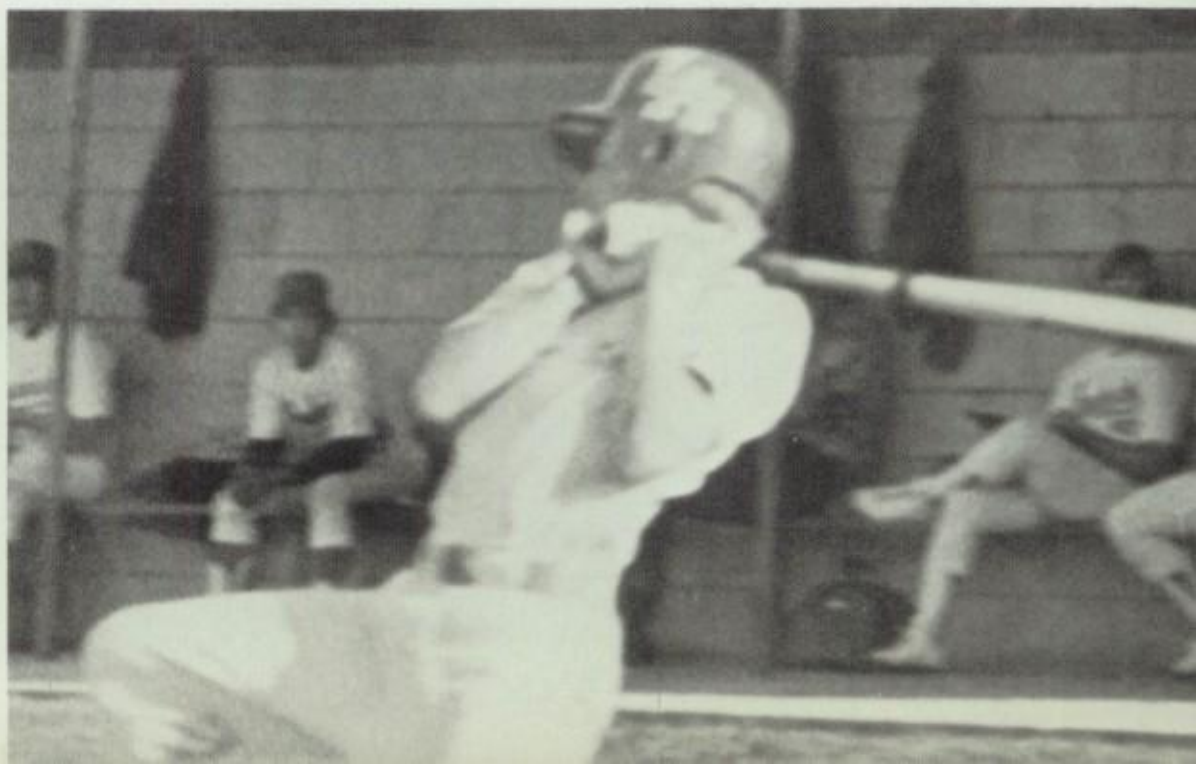
This year's J.V. team is showin very good signs, in hitting, run ning and fielding. This year i looks like Ty Smith will be doin most of the pitching for the J.V.'s The hitting for the J.V.'s is reall looking good with Ben Clark al ready having hit 3 home runs. I the hitting, running and pitchin continues Dan Deleon's J.V.er could have a very successful sea son.





Under second year Coach Kevin Loftus the Soph team looks as if they could be a hard running and hitting team. At the beginning of the season the Soph's looked a little shakey but they are steadily improving and could be a very good team in the years to come. As Coach Loftus would say "You figure it out."

Bottom Row: Ross MacCready, Hong Hoach, Sparky Richardson, Bob Hurd. Middle Row: Jim Cleland, Bill Pomeroy, Mark Harris, Brian Nathanson, Alan Geldbach, Steve Wolfe, Ed Davis. Top Row: Kevin Loftus, coach, Joe Wokal, Mike Carpenter, Ken Bloom, Scott Bragg, Bob Clark, Jeff Turner.

In Memoriam

Toni Terby

Elected Head Banderette 77-78

Jr. and Sr. Class Committies

Newspaper

Yearbook

Soroptomist Club

To those of us who knew her, Toni Terby's death left a void. It was as if, somewhere, a light had gone out. But the memory of Toni's radiance remains in many ways. Wherever we hear a particular song, or see a certain smile, or experience a certain feeling, Toni's memory is rekindled, and this light can never go out. Toni possessed those characteristics of cheerfulness, wholesomeness, faith, kindness, good humor, and unfailing courage which everyone wants but which no-one really attains. To us, her friends, those qualities represent her priceless legacy. In the spirit of goodwill which encompassed her every day, we, her friends, to dedicate our thoughts to Toni Terby.
